

## Ordering Nissan Campaign Parts

### Requirements:

Niscom Access

S03 Access

1. Go to Nissan's Intranet and Enter the campaign number into the search bar and hit enter

The screenshot displays the Nissan Dealer Intranet interface. At the top, there's a navigation bar with links like HOME, DEALER, REGION, and CONTACT US. Below this is a search bar where the campaign number '48256BAE0016FB41' has been entered. The main content area shows a table of documents with columns for Title, Category, Area, and Last Modified. A red circle highlights the search bar area. On the right side, there's a sidebar with a red arrow pointing to the 'Intranet and Mainframe' section, which contains links like 'Send Files to Nissan', 'Receive Files from Nissan', 'Export to PDF', 'Offline Keying - Parts Order', 'Offline Keying - Warranty Claims', 'Offline Keying - Service History', 'Configuration', and 'Close iNiscom'.

### 3. Click on the general PDF for bulletin to view

The screenshot shows the Nissan Dealer portal interface. At the top, there's a navigation bar with 'HOME', 'DEALER DIRECTORY', 'INISCOM MANUAL', and 'CONTACT US'. Below this, the user is logged in as 'Communication Square Australia'. The main header area includes 'TechLine Technical Bulletins' and a search bar. A prominent banner for a 'Vehicle Recall Campaign - R24B6 | Z34 Z Front Bumper Harness Replacement (R24BA & R24BB)' is displayed. Below the banner, a section titled 'ATTACHMENT' contains two PDF links. The first link, 'EL24-005c - R24B6 - Z34 Z Front Bumper Harness.pdf', is circled in red. The second link is 'Z34 Z Front Bumper Harness Replacement - Repair Procedure - R24B6.pdf'. To the right of the attachments, a detailed information panel for the bulletin is shown, including the bulletin year (2024), service manual section (EL), model (Z34), applied date (29/10/2025), applied VIN, applied PFP (R24B6 R24BA R24BB), reference number (EL24-005c), and date raised (29/10/2025 08:34:26 AM). At the bottom, there's a 'Related Topics' section and a disclaimer.

### 4.

5. Scan through the document looking for “Part requirement” or “Ordering System” to confirm that it needs to be ordered as a Campaign order

**Parts Requirement:**

Parts may **only be ordered and allocated via the Campaign ordering system**, as outlined in Parts Technical Bulletin T773 where vehicle identification (VIN number, SUO number, etc.) must be provided for each part ordered.

Dealers are reminded to allow sufficient time for the Customer booking and ordering of campaign parts to ensure parts are available in your dealership whilst the Vehicle is present.
