SUBARU

make the most of every moment

There are certain moments
in time you never forget.
They're the ones permanently
seared in your memory.

Experience the love that Subaru owners have felt for decades in the stylish Symmetrical All-Wheel Drive Subaru Forester. A beloved classic that's been passed down through generations, the Subaru Forester has been designed for even more memorable family moments, with cutting-edge safety technology, including the latest generation EyeSight® Driver Assist system, striking athletic design with excellent visibility and clever features, like X-Mode.

The Subaru Forester legend continues to inspire epic journeys, spontaneous road trips and everyday adventures with the confidence to embrace those 'grab them, or you'll miss them' moments that become lifelong memories.

take on next level adventures

If experiencing special moments is more important to you, than simply 'getting from A to B', Subaru Forester is the SUV for you.

Capable both off the road, and on, it's the perfect weekday car for weekend warriors. The Symmetrical All-Wheel Drive and horizontally-opposed Boxer engine deliver a dynamic performance, while revised tuning to the front suspension enhances driveability, steering responsiveness and comfort.

Subaru Intelligent Drive (SI-Drive)² on selected variants, offers a choice of Intelligent or Sport mode to enhance your drive. And with the addition of e-Active Shift Control to SI-Drive on the Subaru Forester Hybrid S AWD, it delivers a more responsive drive performance.

Venture from your Monday to Friday route and Subaru Forester steps up to the task with a robust 220mm ground clearance¹ and revised X-Mode across the range - including 2 modes on Subaru Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD. X-Mode and Subaru Forester's revised Hill Descent Control improves vehicle control speed, making it the ideal package for mixing good times with family-friendly versatility and genuine off-road capability.

1. Ground clearance at kerb weight. 2. Subaru Intelligent Drive (SI-Drive) available on Subaru Forester 2.5i Premium AWD, Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD only.

heights of safety

Grab life with both hands and tick those adventures off your list, all while prioritising safety for your most precious cargo - your family. Take on switchback mountain passes, knowing Subaru Forester has reached the next generation in safety. The latest generation EyeSight® Driver Assist, standard across the range, monitors the road ahead for dangers, and if necessary can take action to help avoid them. Add the rear reverse camera and advanced Driver Monitoring System - Driver Focus¹ on selected variants, with distraction and drowsiness warnings - and taste true peace of mind.

At the core of this iconic SUV lies Subaru's legendary Symmetrical All-Wheel Drive, which combines with the Subaru Global Platform to deliver a lower centre of gravity and dynamic traction, control and road handling. All adding up to a 5 star ANCAP² safety rating across the range and thrilling moments at every turn.

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. Not available on Subaru Forester 2.5i AWD. 2. The Australasian New Car Assessment Program (ANCAP) give consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Forester tested in 2019.

a spin on entertainment

Break up the week with a spontaneous escape. Load up the kids, choose your playlist and head to that special place you go to renew. With no shortage of entertainment features, Subaru Forester lets you control it all from the intuitive 8" touchscreen. Or speak up and be heard with voice command recognition letting you activate smartphone functions¹, while keeping your eyes on the road.

Move to your own beat with integrated infotainment system features including Apple CarPlay[®] and Android Auto[™] connectivity¹, plus digital radio² (DAB+) and *Bluetooth*[®]³ wireless technology with audio streaming⁴. Need to recharge? Four USB charge ports, with two now in the front and two for the rear seat passengers, will keep everyone upbeat.

1. Compatible Apple[®] or Android[™] device required. 2. Digital radio reception not available in all areas. 3. *Bluetooth*[®] is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the *Bluetooth*[®] wireless technology specification of individual device. 4. There may be restrictions on features available for certain models that are not fully compliant with AVCRP.

equipped for ease

Clever features simply make life better. So shift your adventures up a gear, take the scenic route and create memorable family moments.

Subaru Forester makes hitting the road effortless with Adaptive Cruise Control to keep you on track and the advanced Driver Monitoring System - Driver Focus² on selected variants with facial recognition. From driver distraction recognition alerts, to gesture-controlled temperature adjustment, Subaru Forester is an SUV that keeps you in the picture.

Keep the next generation safe and sound with Isofix child restraint anchor points for easy, secure and safer attachment of child seats. The inclusion of sleek designed roof rails make it easy to carry all the toys you need to get your outdoor fix. While who doesn't love a cargo space that really is fit for a busy family, with two cargo hooks on the boot ceiling and a user-friendly powered tailgate¹ on selected variants.

1. Not available on Subaru Forester 2.5i AWD, Forester 2.5i-L AWD and Forester Hybrid L AWD. 2. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. Not available on Subaru Forester 2.5i AWD.

design takes on a new narrative

Built for epic adventures, spontaneous trips and everyday journeys, the Subaru Forester exudes strength and power.

You'll be instantly drawn to the stylish headlights, front bumper, grille and front fog lights surrounds - and striking 18" alloy wheels with 5-spoke silver design for Subaru Forester 2.5i-S AWD and Forester Hybrid S AWD. Select variants¹ feature a sophisticated rear bumper lower trim. While the Subaru Forester 2.5i Sport AWD exclusively boasts black geometric highlights on the door mirrors and rear garnish, plus orange inserts on the roof rails.

1. Updated rear bumper lower trim only available on Subaru Forester 2.5i Sport AWD, Forester 2.5i-S AWD, Forester Hybrid L AWD and Forester Hybrid S AWD.

Subaru Forester 2.5i-S AWD

switch on to the future

With Subaru Forester Hybrid,
everything you love about
Subaru's medium SUV
is even better.

The unmistakable e-Boxer technology is combined with the dynamic performance of Subaru's legendary Symmetrical All-Wheel Drive and exclusive styling including chrome look door handles and black rear garnish.

From the moment you press the accelerator, the Subaru Forester Hybrids express ingenuity. Boasting intelligent electric/petrol hybrid technology, the e-Boxer combination delivers better low-speed acceleration and torque combined with super responsive handling, impressive driving efficiency and lower fuel consumption¹. Plus the drive is cleverly enhanced by Motor Assist, which automatically combines power sources under certain conditions, to improve the driving experience.

The end result, is a Subaru Forester to drive you into the future with renowned levels of comfort, convenience, safety and tech. Choose your level of luxury from Subaru Forester Hybrid L AWD or Forester Hybrid S AWD with large electric sunroof, leather accented seat trim and striking 18" alloy wheels.

1. When compared to petrol-only variants.

2023 Subaru Forester Hybrid sold out. 2024 available for pre-order.

Subaru Forester Hybrid S AWD

Subaru Hybrid
e-BOXER Technology

INTELLIGENT HYBRID ON THE GO

e-Boxer combines an electric motor and high voltage battery with a petrol engine for an exhilarating driving experience and lower fuel consumption. The intelligent hybrid technology captures kinetic energy while braking to recharge the battery.

hybrid hero

The future is now, with Subaru e-Boxer technology driving the Subaru Forester Hybrid variants. The dynamic plug-free hybrids seamlessly team power from a compact battery and quiet electric motor, with the petrol engine for the ultimate in driving efficiency.

Subaru Forester Hybrid S AWD

1.

A PERFECT MATCH

Power from the compact battery and electric motor, assist the petrol engine – changing between Electric only, Motor Assist and Engine only driving modes to match the conditions.

3-WAY POWER

In certain conditions, such as when gently pulling away or driving slowly the electric motor can power the car. When cruising, the petrol engine is the most suitable power source. Meanwhile, e-Boxer's Motor Assist can engage both power sources for an improved driving experience.

FRAMED TO DELIVER

Delivering a linear, highly-responsive drive with excellent handling and stability, the Subaru Forester Hybrid variants incorporate structural changes to enhance overall torsional and rear suspension rigidity.

LOCKED AND LOADED

The electric motor's battery and other electrical components are positioned under the cargo floor, so they do not compromise cargo space, height or versatility.

1. Cargo net is available as an additional accessory.

SUBARU
HYBRID
e-BOXER

a cabin to gauge your interest

Subaru Forester elevates its already legendary SUV status with an immersive cabin with all the creature comforts. The sophisticated Driver Monitoring System - Driver Focus¹ on selected variants, includes a gesture-controlled temperature adjustment feature for effortless comfort. But when the temperature falls, heated driver and front passenger seats² on selected variants, keep you toasty and warm wherever the adventure takes you.

OUTSTANDING CONNECTIVITY

Dial up all the info you need directly from your smartphone with seamless Apple CarPlay® and Android Auto™ connectivity³.

USB CONNECTIVITY

Plug in to charge and play, with two convenient USB ports integrated into the front centre console standard across the Subaru Forester range.

HEATED FRONT SEATS²

Sink into the luxury of heated front seats², with stylish leather accented seat trim⁴ on selected Subaru Forester variants.

8-WAY POWER DRIVER'S SEAT⁵

Program in your perfect position with 8-way power front passenger seat and 8-way power driver seat with dual memory on selected variants.

 More command centre, than cockpit, Subaru Forester tech sets a new benchmark www.subaru.com.au/forester

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. Not available on Subaru Forester 2.5i AWD. 2. Heated seats not available on Subaru Forester 2.5i AWD. 3. Compatible Apple® or Android™ device required. 4. Leather accented seats available on Subaru Forester 2.5i-S AWD and Forester Hybrid S AWD. 5. Available on Subaru Forester 2.5i Premium AWD, Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD.

Subaru Forester 2.5i-S AWD

heart and soul

When fine-tuning every element of Subaru Forester's dynamic attitude, the creators were unanimous that some things remained sacrosanct.

Symmetrical AWD

Boxer Engine

The heart and soul of Subaru Forester owes its vitality to the intersection of two irreplaceable forces - the iconic horizontally-opposed Boxer engine and Symmetrical All-Wheel Drive system. Designed to sit lower and flatter in the engine bay than traditional engines, Boxer's unique design delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road.

Coupled with Subaru Forester's symmetrical drivetrain, this configuration delivers innate balance from the ground up while driving engine power to all four wheels. With simultaneous power distribution Subaru Forester boasts twice the grip capacity, compared to conventional vehicles, resulting in better balance, superior handling confidence on slick city streets and outstanding driver enjoyment.

Safety and performance are built into the very core of Subaru Forester, learn more about the advanced engineering at www.subaru.com.au/safety-active

Subaru Forester 2.5i-S AWD

The stylish and spacious SUV, that's big on off-road capability, can take on big adventure with legendary Symmetrical All-Wheel Drive and the advanced control of Subaru X-Mode.

X-MODE

X-Mode in Subaru Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD allows the driver to change modes to suit the conditions.

driving confidence

With AWD distributing power simultaneously to all four wheels, Subaru Forester has an innate sense of balance from the ground up even in some of the most challenging terrain.

Activated at the push of a button, X-Mode is standard across the range to enhance off-road driving by adjusting traction in response to the conditions. This intelligent electronic system constantly monitors the traction available to each wheel and centralises the control of key components including the engine, transmission, drivetrain and brakes to help manage slippery conditions.

In Subaru Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD you can choose from two X-Mode settings, to dial up the right amount of traction to suit the driving conditions - from loose gravel, to deep snow.

Learn more about the unique features of the terrain taming X-Mode at www.subaru.com.au/forester

Protecting you and your passengers throughout every moment of your journey always has been, and always will be, at the heart of everything Subaru does. Subaru strives to create innovative cars that protect you and your loved ones, whether they're in or outside the car.

towards zero fatal road accidents by 2030¹

It's a philosophy that started with Subaru's first mass produced vehicle and saw Subaru achieve a number of world safety firsts.

Now, Subaru is proud to introduce its most important safety vision yet – working towards zero fatal road accidents in a Subaru vehicle by the year 2030¹. A vision underpinned by the four vital safety pillars of Primary, Active, Preventative and Protective safety that work together to achieve Subaru's 'All-Around' approach to automotive manufacturing. By combining holistic design principles and advanced safety technologies with cutting-edge future innovations, Subaru Forester aims to provide inherent safety and peace-of-mind, to help you make the most of every moment.

Road user safety is expressed in the design of countless Subaru innovations www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html

The latest generation EyeSight® Driver Assist system, is standard on the Subaru Forester.

EyeSight® Driver Assist

second pair of eyes

This world-renowned preventative safety system operates like an ever-attentive second pair of eyes - to provide warnings, plus braking and steering intervention that is designed to help reduce driver burden, prevent accidents and save lives.

Subaru EyeSight® Driver Assist system incorporates a host of primary functions - Pre-Collision Brake Assist, Pre-Collision Braking System, Pre-Collision Throttle Management, Adaptive Cruise Control, Lead Vehicle Start Alert, Lane Departure Warning, Lane Sway Warning, Emergency Lane Keep Assist and Speed Limiter.

Intelligent features include Lane Departure Prevention which can assist the steering operation if the vehicle is about to unintentionally depart from its detected lane. Meanwhile, Lane Centring Function works with Adaptive Cruise Control to provide steering assistance, accelerator and brake functions to maintain position in the detected lane. Autonomous Emergency Steering, using EyeSight® cameras and the rear radar system, assesses the presence of other vehicles before assisting with evasive steering control, in the event it detects an impending collision.

You'll look at safety with new eyes when you learn more about Subaru's advancements at www.subaru.com.au/safety-preventative

A smart driving companion to have on your side, Subaru's Vision Assist uses embedded cameras¹ on selected variants and radar technology to detect vehicles and obstacles you can't see. Combined with the forward vision features of EyeSight® Driver Assist technology, Subaru's Vision Assist empowers drivers with a sixth sense to support preventative safety.

Vision Assist

EyeSight® Driver Assist

all knowing, all seeing

Subaru's Vision Assist can give drivers a greater awareness of the world around them. Using EyeSight® Assist Monitor, lights are projected onto the lower windscreen to alert the driver when the various safety functions are engaged. Blind Spot Monitor uses rear sensors to make lane changes safer, by warning of vehicles detected in the blind spot. Meanwhile, Lane Change Assist can detect fast approaching vehicles from behind in the adjacent traffic lane and warn the driver of their presence. Rear Cross Traffic Alert can warn the driver that another car is approaching when reversing out of a parking space. Meanwhile, if the vehicle sensors detects an obstacle behind the vehicle while reversing, Reverse Automatic Braking¹ on selected variants can apply braking if the driver doesn't react first.

Front View Monitor¹ on selected variants uses a grille mounted camera to capture images of the area in front of the vehicle to help avoid damage when parking. Side View Monitor¹ on selected variants uses a camera in the passenger door mirror to show the distance of the front passenger side of the vehicle from the kerb or a parked vehicle. Meanwhile, Adaptive Driving Beam¹ on selected variants automatically adjusts the headlight beam to prevent dazzling other detected nearby road users, while maintaining a high level of light and visibility.

Read more about the way Vision Assist innovations are keeping Subaru owners safe at www.subaru.com.au/safety-preventative

1. Not available on Subaru Forester 2.5i AWD.

Subaru tackles driver distraction and fatigue with Subaru's ingenious Driver Monitoring System – Driver Focus (DMS)¹ on selected variants.

This innovative system constantly monitors the driver's attention to help reduce the chance of accidents.

Driver Monitoring System¹

always alert

Whether your journey is long or short, Subaru recognises that at times the driver may be distracted. Which is why DMS¹ has been developed to offer another layer of safety, coupled with personalised driver convenience.

Featuring advanced technology, the Subaru Forester's DMS¹ uses infrared LEDs and a camera to recognise when the driver's attention is waning or if they start to fall to sleep. An alert can then warn the driver, reminding them to refocus on the road ahead. Meanwhile, the gesture-controlled temperature adjustment, lets you simply use a hand gesture to change the temperature setting. For convenience, the Multi-Function Display and Multi-Information Display automatically revert to the last setting used.

The system's intelligent facial recognition can also identify up to five separate drivers and then automatically personalise the cabin to their preferences - adjusting the climate control and MID screen. While in Subaru Forester 2.5i Premium AWD, Forester 2.5i Sport AWD, Forester 2.5i-S AWD and Forester Hybrid S AWD the system automatically adjusts the driver's seat and door mirror position.

Learn how the DMS watches out for signs of driver distraction at www.subaru.com.au/safety-preventative

1. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. Not available on Subaru Forester 2.5i AWD.

Subaru Forester 2.5i-S AWD

TESTED
2019

Designated crumple zones direct impact energy away from the passenger cell, while the Boxer engine is designed to slide below the cabin in a severe frontal collision.

peace of mind protection

It has always been Subaru's purpose to design vehicles with a crucial advantage in road safety and occupant protection. While Towards Zero

fatal road accidents in a Subaru vehicle by the year 2030¹ represents Subaru's ambitious future target, decades of astute observation, structural development and design research has informed the remarkable safety advances built into the 5 star ANCAP² safety rated Subaru Forester.

The SGP and ring-shaped passenger safety cell absorb and direct impact force around the cabin, rather than through it.

An overwhelming feeling of protection is underpinned by Subaru Forester's carefully engineered body structure and Subaru Global Platform, including the ring-shaped passenger safety cell. The ring-shaped passenger safety cell that cocoons occupants has been designed to absorb and direct the impact of a collision around the cabin, rather than through it. Meanwhile, the symmetrical layout of the All-Wheel Drive system and horizontally-opposed Boxer engine is designed to allow the engine to 'submarine' under the floor during a severe frontal collision – protecting the cabin's occupants.

In addition, the chassis structure has been engineered to include crushable zones, absorbing collision energy to effectively protect passengers. While Subaru can't control every variable on the road, the inclusion of seven SRS³ airbags in Subaru Forester can help reduce the possibility of serious injury in the event of a serious accident.

Discover more reasons why Subaru Forester gives you peace of mind protection at www.subaru.com.au/safety

1. Subaru Corporation (the Japanese manufacturer of Subaru cars) has publicly stated its aim to reduce the number of fatal accidents in a Subaru vehicle to zero by 2030 as well as the number of fatalities among pedestrians, cyclists and the like as a result of a collision with a Subaru vehicle. For more information on Subaru Corporation's CSR initiatives visit www.subaru.co.jp/en/csr/subaru_csr/sixpriority/peace.html. 2. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Forester tested in 2019. 3. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts.

- + Tyre Pressure Monitoring System
- + Rear mud guards

SUBARU FORESTER 2.5i-L AWD

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes. Subaru Forester tested in 2019. 2. Ground clearance at kerb weight. 3. Bluetooth® is a registered trademark of Bluetooth SIG Inc. System operation ability is subject to the Bluetooth® wireless technology specification of individual's phone.

- + Roof rails
- + Wheel arch cladding
- + Rear spoiler and rear window wiper
- + Auto door lock/unlock
- + Air-conditioning - dual zone climate control with rear vents

- + Bluetooth®³ wireless technology
- + Rear view reverse camera
- + Auto Stop Start
- + Smart key with push-start ignition

- + Integrated infotainment system featuring:
 - Apple CarPlay® + Android Auto™ connectivity⁴
 - Digital radio⁵ (DAB+)
 - Siri®⁶ compatibility

- + SRS⁷ airbags – dual front, dual front side, dual curtain, driver's knee
- + Voice command recognition

SUBARU FORESTER 2.5i PREMIUM AWD

SUBARU FORESTER 2.5i SPORT AWD

4. Compatible Apple® or Android™ device required. 5. Digital radio reception not available in all areas. 6. Requires compatible Siri® enabled Apple® device to be paired with the infotainment system.

7. SRS: Supplemental Restraint System. Effective when used in conjunction with seatbelts. 8. Driver Monitoring System performance and capability dependent on environmental and technical conditions. Refer to Owner's Manual for full details. 9. Water repellent fabric repels water so that the fabric is not easily penetrated by small amounts of water. Fabric is not 100% water proof. Intermittent treatment (at owner's cost) may be required to maintain water repellent characteristics.

the Subaru Forester range at a glance

With seven distinctive variants, Subaru Forester has an appeal as unlimited as the adventures it inspires. See the pages that follow for a full list of specifications and standard features or visit www.subaru.com.au/forester

Standard across the range

- + Symmetrical All-Wheel Drive
- + 5 star ANCAP¹ safety rating (maximum 5)
- + Lineartronic® CVT with manual mode
- + X-Mode
- + 220mm ground clearance²

- + Electronic parking brake
- + 60/40 split folding rear seats
- + One touch lane change indicator
- + Tyre Pressure Monitoring System
- + Rear mud guards

1. Subaru Australia reserves the right to change mechanical specification and equipment levels without notice. 2. Bluetooth[®] is a registered trademark of Bluetooth SIG Inc. System functionality is subject to the Bluetooth[®] wireless technology specification of individual device. 3. There may be restrictions on features available for certain models that are not fully compliant with AVCRP. 4. Harman Kardon[®] is a registered trademark of HARMAN International Industries, Incorporated. 5. Compatible Apple[®] or Android[™] device required. 6. Digital radio reception not available in all areas. 7. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 8. The Subaru New Vehicle Warranty period on high voltage batteries for Subaru Hybrid vehicles is 8 years/160,000 kms, whichever comes first. 9. Every eligible Model Year 2023 onward Subaru Forester comes with Subaru's Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 10. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you.

Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

SUBARU NEW CAR WARRANTY – 5 YEAR/UNLIMITED KILOMETRES¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

SUBARU CAPPED PRICE SERVICING²

With our Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts. For more information on our Capped Price Service Program visit: www.subaru.com.au/service/pricing/capped-price-servicing

1-MONTH HEALTH CHECK AND CHAT

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

SUBARU'S MAP UPDATES³

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2023 onward Subaru Forester comes with Subaru's Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on 2023 Subaru Forester models purchased with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program.

SUBARU ROADSIDE ASSISTANCE¹

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

SUBARU CERTIFIED COLLISION REPAIRER NETWORK²

With a dedicated Subaru Certified Collision Repairer helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

GENUINE ACCESSORIES

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru Forester accessories visit www.subaru.com.au/forester/accessories. For more information on Genuine Subaru Accessories, visit www.subaru.com.au/accessories-information.

SUBARU INSURANCE³

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. Subaru Premier Motor Vehicle Insurance is designed to protect your Subaru and your investment in it.

SUBARU CERTIFIED USED CARS

Looking for a high quality used Subaru? Every Subaru Certified Used Car has passed a 120-point quality inspection giving you peace of mind – from participating Subaru Certified Used Car Retailers.

AFFORDABLE OWNERSHIP

Enjoy being on the road for longer, for less with 12 month/12,500km service intervals and 5 Year/Unlimited Km Warranty⁴. The SUV is not only affordable to run but allows you the freedom to enjoy where the fun takes you.

SUBARU FINANCIAL SERVICES⁵

When you fall in love and know it's the one, you don't want to wait. So why should you? Subaru Financial Services brings you and your Subaru together, faster. It's like a Vegas wedding, with a bit more class and a lot better with numbers. And the only thing better than your new Subaru, is your next one. So we work hard to make upgrading into a newer Subaru more often, part of the process. It's a lifelong love affair - we get it. Available at participating Subaru Financial Services Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For more information, visit www.subaru.com.au/roadside-assistance-program. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised Retailers have any liability in respect of these policies. 4. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 5. Finance is provided by IFSA Pty Ltd ABN 39 651 319 774 trading as Subaru Financial Services, managed by Allied Retail Finance Pty Ltd ABN 31 609 859 985 Australian Credit Licence 483211.
