

How to find Mazda Oils & Lubricants

Required:

- A. PC with internet browser
- B. Mazda One Access
- C. VIN of car and knowledge of model and variant.
- D. Somewhat be able to break down a Mazda VIN (Ignore first three in VIN - JM0)

Example VIN: JM0BL103200123456

1. Navigate to One Mazda

The screenshot shows a web browser window with the URL one.mazda.com.au/Pages/default.aspx in the address bar. The browser's taskbar at the bottom shows various open applications including Eagers Automotive, Self Service, ERA Power, SuccessFactors, Pleiades Parts, Ford EPC, and One Mazda.

The website header features the Mazda logo and a user profile icon with the ID `awh0020.e426600`. Below the header is a navigation bar with links for Policies, eBulletins, Finance, HR, IT, Learning, Marketing, Owners, Parts & Accessories, Sales, and Services. A search bar is also present.

The main content area displays a "Conditional Redirect Webpart" with the following text:

Home > default

Conditional Redirect Webpart
If you have landed on this page there is an issue with your profile
Please contact support

A left-hand navigation menu contains links to Home, Customer Support, Dashboards, eBulletins, Finance, Guild, Legal, ISD, L & D, Marketing, Parts, Sales, Reports, Corporate Calendar, Workstation, and Questionnaire.

The footer includes links for Systems Support, Parts Support, Technical Support, Mazda Offices, CSD Team Charts, and several website URLs: www.mazda.com.au, www.mazda.com, mazdafoundation.org.au, and mazdatraining.com.au. It also features a "Site Navigation" section with links to Sitemap and Website Feedback, and social media icons for Facebook, Twitter, Pinterest, and Instagram.

The Windows taskbar at the bottom shows the time as 12:35 PM on 12/05/2026.

2. Towards the top - Navigate to “Services” and then to “Technical & Warranty”

The screenshot shows the Mazda One.Mazda website interface. The browser address bar displays `one.mazda.com.au/Pages/default.aspx`. The top navigation bar includes the Mazda logo and a user profile dropdown with the ID `awh0020.e426600`. Below this, a secondary navigation bar lists various departments: Policies, eBulletins, Finance, HR, IT, Learning, Marketing, Owners, Parts & Accessories, Sales, and **Services** (highlighted with a red circle). A search bar is located to the right of the navigation bar. Below the navigation bar, a sub-navigation bar lists [Service Development](#), [Service Hub](#), [RMSP](#), and **Technical & Warranty** (highlighted with a red circle). On the left side, a sidebar menu contains links to Customer Support, Dashboards, eBulletins, Finance, Guild, Legal, ISD, L & D, Marketing, Parts, Sales, Reports, Corporate Calendar, Workstation, and Questionnaire. The main content area features a **Conditional Redirect Webpart** with the message: "If you have landed on this page there is an issue with your profile. Please contact support". At the bottom, there are links for Systems Support, Parts Support, Technical Support, Mazda Offices, CSD Team Charts, and several website URLs: `www.mazda.com.au`, `www.mazda.com`, `mazdafoundation.org.au`, and `mazdatraining.com.au`. The footer includes a Site Navigation section with links to Sitemap and Website Feedback, social media icons for Facebook, Twitter, Pinterest, and Instagram, and a timestamp of 12:36 PM on 12/05/2026.

4. Using our example VIN - JM0BL103200123456, remove the first the characters of the VIN “BL103200123456”. Then look for the Model (Mazda 3 in example) then narrow it down by checking the characters in brackets (BL10*2 - Best fit in example VIN)

The screenshot shows the Mazda Zoom-Zoom website interface. The top navigation bar includes the Mazda logo and a user account dropdown. The left sidebar contains various links for technical information, warranty, and accessories. The main content area is titled "Lubricants / Fuel" and lists various Mazda models and their corresponding fuel specifications. The MAZDA3 (BL10*2) model is highlighted with a red circle, indicating it is the best fit for the example VIN.
